Important Information for Designated Home State (DHS) Adjusters and Appraisers

Effective November 12, 2016, all North Carolina Designated Home State (DHS) adjusters and appraisers were updated to reflect non-resident, designated home state license status in SBS and the NIPR Producer Database.

All North Carolina DHS Adjusters must continue to meet the qualifications of a North Carolina resident adjuster including completion of biennial continuing education requirements.

This change was made to be in compliance with the NAIC Independent Adjuster Reciprocity Best Practices & Guidelines.

If you have further questions concerning this change please contact the Agent Services Division at (919) 807-6800 or at ASD@ncdoi.gov
