RE: 2017-2018 LICENSE RENEWAL INVOICE

### SELF-EMPLOYED ADJUSTERS, COMPANY/INDEPENDENT FIRM ADJUSTERS, HAIL ADJUSTERS, PUBLIC ADJUSTERS, AND MOTOR VEHICLE DAMAGE APPRAISERS

All North Carolina adjuster and appraiser licenses renew by 4/1 each year. All adjuster/appraiser licenses that were active as of 1/29/2017 must complete an online renewal application and pay the applicable fees through [www.nipr.com](http://www.nipr.com). Failure to complete the renewal application and pay the fees due through NIPR by 5/30/17 will result in your license expiring effective 3/31/2017.

#### STEPS ONLY FOR- NC RESIDENT and NC DESIGNATED HOME STATE ADJUSTERS/APPAISERS:

1. On the Internet, go to [www.nipr.com](http://www.nipr.com) to complete the NIPR resident adjuster renewal application
2. Follow the links to resident license renewals. Enter NC as your resident state and enter your National Producer Number (NPN) as your NC license number to access your license renewal application.

NPN Lookup is available on NIPR's website: <https://pdb.nipr.com/html/PacNpnSearch.html>

**Please note, your NC resident adjuster license expiration date (except for hail adjusters) reflects your biennial CE compliance date. A license renewal is still due by 3/31/2017 regardless of your license expiration date.**

#### STEPS ONLY FOR - NON-RESIDENT ADJUSTERS/APPAISERS and DESIGNATED HOME STATE ADJUSTERS – This includes both non-resident adjusters/appraisers licensed in their resident state and those that designate NC or some other state as a home state.

1. On the Internet, go to [www.nipr.com](http://www.nipr.com) to complete the NIPR non-resident adjuster renewal application
2. Follow the links to non-resident license renewals. You will be asked to identify your resident state or designated home state and enter your active resident state license number to access your license renewal application.

**Please note, if you are a NC designated home state adjuster your adjuster license expiration date (except for hail adjusters) reflects your biennial CE compliance date. A license renewal is still due by 3/31/2017 regardless of your license expiration date. You still must pay the annual renewal fee.**

ALL adjusters and appraisers should print confirmation of paid renewal fee and completed license renewal application. The Department will not mail renewal payment confirmation. Licensees may use the Department's on line agent information portal to view their current license status at [www.ncdoi.com](http://www.ncdoi.com).
