Use of DASMA Technical Data Sheet 155h for Determining DP Ratings for Garage Doors

Code: 2018 Residential Code  
Section: Table R301.2(6)  
        Table 4502(b)  

Date: March 20, 2019  

Question:  
Can DASMA Technical Data Sheet 155h be used for determining alternate design pressures for garage doors?

Answer:  
Yes. DASMA Technical Data Sheet 155h was inadvertently removed from footnote “a” of Table R301.2(6) and footnote “b” of Table 4502(b).

Keywords:  
wind pressures, lateral loads
