

NC FIRE and RESCUE COMMISSION
Firefighter Level II
Practical Skill Scenarios

1 OF 3: RESCUE

NFPA, 6.4.1, 6.4.2. 6.5.4

Performance Objective: The candidate, acting as an individual or member of a team, when presented a specific rescue situation, shall use the needed rescue tools as listed above to properly complete the assigned task as described by the instructor/evaluator.

Performance Evaluation: The evaluator shall select a suitable heavy device such as car or large block of concrete-to stabilize and/or lift. The candidate shall use the appropriate equipment to accomplish task assigned by the evaluator.

Instructor Statement: Given a specific assignment and a piece of equipment, please demonstrate the operational capability of the tool.

Recommended Equipment List:
