

Regional Testing

READ BEFORE REGISTERING!!

Approved Changes for Fire/Rescue Instructor program by NC Fire and Rescue Commission (04/14/2009)

1. Anyone who completes an educational methodology **course after** July 01, 2009 will be required to meet the new requirements.
 - a. Anyone who completes an educational methodology **course prior** to July 01, 2009 will be allowed to meet the current requirements and may register to test at regional testing locations. **This does NOT apply to any Qualifications, Instructor II certification only.**
 - b. Furthermore, **anyone meeting this requirement (1-a) must pass the Methodology/ Instructor II certification exam prior to July 01, 2010.** Testing will continue in Regional Testing, for Instructor II, until July 01, 2010.
2. Qualification Areas for Instructor II – **(As of July 1, 2009 new eligibility requirements go into effect for ALL Qualifications)**
 - a. To become a qualified instructor, the candidate must be certified a minimum of two (2) years as an Instructor II. Effective July 01, 2009.
 - b. To become a qualified instructor, the candidate must be certified a minimum of five (5) years in the accredited areas (i.e. **Fire Fighter, ERT/RT/ TR-General, TR-VMR, EVD, Driver Operator: Pumps or Aerial, Hazardous Materials, Fire Officer, and Fire and Life Safety Educator**). Effective July 01, 2009.
 - c. To become a qualified instructor in RT/TR-Ropes the candidate must be certified a minimum of two (2) years in these areas.
 - d. To become a qualified instructor in Trench, Confined Space, Surface Water, Swift Water, Structural Collapse, and Wilderness Rescue the candidate must be certified a minimum of two (2) years in these areas.

****For more information on the instructor program changes click link:
[Welcome to NC Office of State Fire Marshal](#)**

As of July 1, 2010 the new instructor requirements go into effect for Instructor 2 testing and will no longer be given at Regional testing locations. (See above instructor changes 1-b)

Registration forms listed below. Must meet the above requirements before registering for exams. Not all Qualification exams listed above (2:d) are done during regional testing, see registration forms for exams offered and instructor training schedule for all other exam listings.

Regional Testing Registration Form

PLEASE NOTE: All required courses and certifications must be successfully completed and certifications must have been issued prior to registration for an exam. All required documentation must be submitted with registration form or form will not be processed!

The North Carolina Fire and Rescue Commission has scheduled the following Regional Standard Certification and Qualification exams. Please indicate below, the exams you wish to take by marking with an X. You must complete a registration form for each exam location you wish to register for. You will not be allowed to take exams for which you have not registered. **All exams will begin promptly at 9:00.**

Please arrive 30 minutes prior to scheduled test time

Due to the new instructor requirements, only one Qualification can be done per Regional testing session.

All Technical Rescuer Specialties will be done seperately from Regional testing and will be listed on the Instructor training schedule when available.
