Kevin Gordon presented a copy of the Fire and Rescue Commission By Laws. The Fire and Rescue Commission formed a committee to create a set of formal By Laws for all of three of their Boards. Chairman Cook appointed the committee with representatives from each Board. The Commission's Boards are the Worker's Safety Compensation Board, the Fire Arson Investigator Review Board and the Certification Board. The goal was to make all Boards consistent in their structure and policies.

Dave Campbell resigned.

Matt Thorpe - NFPA 1033 update

New book was released. The skill evaluations have been written and we are currently waiting on the Instructor packet and Question Bank. The goal is to have the program completed by the end 2015. The course will meet the NFPA 1033 and 921 standards. Pilot could be ready by the summer of 2015. Staff will present the pilot to the Arson Review Board.

Next meeting will be scheduled some time in April.

Meeting was adjourned at 12:57 p.m.

Respectfully Submitted,
Kim Williams
