

# Prescription Log

## Medicines Turned In at Operation Medicine Drop Event

For ease of calculating totals needed for online reporting, each type of medication is entered separately: Controlled substances on page 1, Prescription drugs on page 2., Over the Counter on page 3, Veterinary and Unknown on page 4

**Event Location:** \_\_\_\_\_ **County:** \_\_\_\_\_

**Contact Person:** \_\_\_\_\_

For 'Unit' enter one of the following:

(P) for pills, (O) for ounces ointment, (L) for ounces liquid, (S) for suppositories

If you don't know the exact amount estimate to the nearest whole number.

### Controlled Substances Only

Name of Medication	Quantity	Unit
<b>Total Controlled:</b>
