### Summary of Benefits

January 1, 2015 - December 31, 2015

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the "Evidence of Coverage."

#### You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as **HumanaChoice H6609-125 (PPO)**).

#### Tips for comparing your Medicare choices

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on <http://www.medicare.gov>.

Our service area includes the following counties in North Carolina: Alamance, Alexander, Alleghany, Anson, Ashe, Avery, Buncombe, Cabarrus, Caldwell, Caswell, Catawba, Chatham, Cherokee, Clay, Cleveland, Davidson, Davie, Durham, Forsyth, Franklin, Gaston, Graham, Guilford, Haywood, Henderson, Iredell, Jackson, Lee, Lincoln, Macon, Madison, McDowell, Mecklenburg, Mitchell, Montgomery, Moore, Orange, Person, Polk, Randolph, Rockingham, Rowan, Rutherford, Stanly, Stokes, Swain, Transylvania, Union, Vance, Wake, Warren, Watauga, Wilkes, Yadkin, and Yancey.

### Which doctors, hospitals, and pharmacies can I use?

**HumanaChoice H6609-125 (PPO)** has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers in our network, you may pay less for your covered services. But if you want to, you can also use providers that are not in our network.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

You can see our plan's provider directory at our website (<http://www.humana.com/members/tools>).

You can see our plan's pharmacy directory at our website

([http://www.humana.com/Medicare/medicare\\_prescription\\_drugs/](http://www.humana.com/Medicare/medicare_prescription_drugs/)).

Or, call us and we will send you a copy of the provider and pharmacy directories.

### What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers - and *more*.

- **Our plan members get *all* of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare.** For others, you may pay less.
- **Our plan members also get *more than what is covered by Original Medicare*.** Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, [http://www.humana.com/medicare/medicare\\_prescription\\_drugs/medicare\\_drug\\_tools/medicare\\_drug\\_list/](http://www.humana.com/medicare/medicare_prescription_drugs/medicare_drug_tools/medicare_drug_list/).
- Or, call us and we will send you a copy of the formulary.

### How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur after you meet your deductible: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

## SECTION 2

### Summary of Benefits January 1, 2015 - December 31, 2015

#### Monthly Premium, Deductible, and Limits on How Much You Pay for Covered Services

<b>How much is the monthly premium?</b>	<b>\$42</b> per month. In addition, you must keep paying your Medicare Part B premium.
<b>How much is the deductible?</b>	This plan has deductibles for some hospital and medical services, and Part D prescription drugs. <b>\$500</b> per year for out-of-network services. <b>\$320</b> per year for Part D prescription drugs.
<b>Is there any limit on how much I will pay for my covered services?</b>	Yes. Like all Medicare health plans, our plan protects you by having yearly limits on your out-of-pocket costs for medical and hospital care. Your yearly limit(s) in this plan: <ul style="list-style-type: none"><li>• <b>\$4,900</b> for services you receive from in-network providers.</li><li>• <b>\$10,000</b> for services you receive from any provider.</li></ul> Your limit for services received from in-network providers will count toward this limit. If you reach the limit on out-of-pocket costs, you keep getting covered hospital and medical services and we will pay the full cost for the rest of the year. Please note that you will still need to pay your monthly premiums and cost-sharing for your Part D prescription drugs.
<b>Is there a limit on how much the plan will pay?</b>	Our plan has a coverage limit every year for certain in-network benefits. Contact us for the services that apply.

Humana is a Medicare Advantage PPO plan with a Medicare contract. Enrollment in this Humana plan depends on contract renewal.

### Coverage Gap

Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches **\$2,960**.

After you enter the coverage gap, you pay **45%** of the plan's cost for covered brand name drugs and **65%** of the plan's cost for covered generic drugs until your costs total **\$4,700**, which is the end of the coverage gap. Not everyone will enter the coverage gap. Under this plan, you may pay even less for the brand and generic drugs on the formulary. Your cost varies by tier. You will need to use your formulary to locate your drug's tier. See the chart that follows to find out how much it will cost you

### MyOption<sup>SM</sup> Dental – High PPO

The MyOption<sup>SM</sup> Dental – High PPO benefit makes it easy for you to plan for your dental care. The benefit has a **\$50** deductible and **100 percent** coverage for two routine exams per year with an in-network provider.

The benefit covers some of the cost for basic procedures, like fillings and extractions (pulling teeth). It can also help pay for major services, like crowns and dentures. There's a maximum annual benefit of **\$1,500**, and there's no waiting period before your coverage begins. The premium for this OSB is **\$15.70**. Here's how the benefit works:

\*Network dentists have agreed to provide services at an in-network rate. If you see a network dentist, you can't be billed more than the in-network rate.

\*\*Non-network dentists haven't agreed to provide services at an in-network rate. Humana negotiates rates for dental services. When you see a non-network dentist, you'll pay your part of the negotiated rate (your coinsurance). If your dentist charges more than that rate, you may have to pay more.

\*\*\*Composite resin restorations (fillings) benefit as follows:

- Anterior (front) teeth: Composite restoration benefit as previously displayed
- Posterior (back) teeth: The benefit for a composite restoration will be based on the cost of an amalgam restoration. Member is responsible for the remaining cost difference between a composite restoration and an amalgam restoration.

Humana MyOption Optional Supplemental Benefits (OSB) are only available to members of certain Humana Medicare Advantage (MA) plans. Members of Humana plans that offer OSBs may enroll in OSBs throughout the year. Benefits may change on January 1st each year. Enrollees must continue to pay the Medicare Part B premium, their Humana premium, and the OSB premium.
