Find out more about the Humana Gold Plus SNP-DE H6622-027 (HMO SNP) plan - including the health and drug services it covers - in this easy-to-use guide.

Humana Gold Plus SNP-DE H6622-027 (HMO SNP) is a Coordinated Care plan with a Medicare contract and a contract with the North Carolina Division of Medical Assistance Medicaid Program. Enrollment in this Humana plan depends on contract renewal.

The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. For a complete list of services we cover, ask us for the "Evidence of Coverage" or you will receive one after you enroll.

As a member you must select an in-network doctor to act as your Primary Care Provider (PCP). Humana Gold Plus SNP-DE H6622-027 (HMO SNP) has a network of doctors, hospitals, pharmacies and other providers. If you use providers who aren't in our network, the plan may not pay for these services. You have access to Care Managers. Care Managers are nurses or care coordinators who support your health and well-being by providing additional services including: acute- and chronic-care management, telephonic and in-person health support; assistance in coordinating Medicare and Medicaid benefits, educational resources and workshops and support for families and caregivers.

## To be eligible

To enroll in Humana Gold Plus SNP-DE H6622-027 (HMO SNP), a Dual Eligible Special Needs Plan, you must be entitled to Medicare Part A and enrolled in Medicare Part B, live in our service area and also receive certain levels of assistance from the North Carolina Medical Assistance Program (Medicaid). If you receive both Medicare and Medicaid benefits, this means you are a dual eligible.

Humana Gold Plus SNP-DE H6622-027 (HMO SNP) may enroll dual eligibles who are FBDE, SLMB Plus, QMB Plus and QMB.
