

NC FIRE AND RESCUE INSTRUCTOR TRAINING SCHEDULE

Updated January 21, 2010

Requalifications are available online for the following programs:

Technical Rescue Structural Collapse

Technical Rescue Trench

Technical Rescue Confined Space

Driver Operator Pumps

Driver Operator Aerials

EVD

Instructors currently qualified to teach these programs need to take this requalification to remain eligible to teach those certification programs.

The Educational Methodology and Fire Officer Instructor mandatory qualification and requalification courses are listed in the Requalification section on page 2.

Approved Changes for Fire/Rescue Instructor program by NC Fire and Rescue Commission (04/14/2009)

1. Anyone who completes an educational methodology **course after** July 01, 2009 will be required to meet the new requirements.
 - a. Anyone who completes an educational methodology **course prior** to July 01, 2009 will be allowed to meet the current requirements. ***This does NOT apply to Qualifications, Instructor II certification only!***
 - b. Furthermore, anyone meeting this requirement must pass the Methodology/ Instructor II certification exam prior to July 01, 2010. Testing will continue in Regional Testing, for Instructor II, until July 01, 2010.
2. Qualification Areas for Instructor II – ***(MUST Qualify before July 1, 2009 to be eligible under current standard, As of July 1, 2009 new requirements go into effect for all Qualifications)***
 - a. To become a qualified instructor, the candidate must be certified a minimum of two (2) years as an Instructor II. Effective July 01, 2009.
 - b. To become a qualified instructor, the candidate must be certified a minimum of five (5) years in the accredited areas (i.e. **Fire Fighter, Technical Rescuer, EVD, Driver Operator, Hazardous Materials, Fire Officer, and Fire and Life Safety Educator**). Effective July 01, 2009.
 - c. To become a qualified instructor in Trench, Confined Space, Surface Water, Swift Water, Structural Collapse, VMR, Ropes, and Wilderness Rescue the candidate must be certified a minimum of two (2) years in these areas.
