

NC FIRE AND RESCUE INSTRUCTOR TRAINING SCHEDULE

Friendly reminders: It's that time again, the Fire Fighter 1&2 and Technical Rescue (formerly RT) Re-Qualifications are upon us. All Qualified instructors must take the Re-Qualification for FF1&2 or RT to keep your Qualified Instructor. See the schedule below for dates, locations and contact information.

Also, the Driver/Operator, and Haz-Mat Re-Qualifications will be coming around again. No dates and locations have been scheduled yet so be sure to check the training schedule below periodically for changes and updates.

Approved Changes for Fire/Rescue Instructor program by NC Fire and Rescue Commission (04/14/2009)

1. Anyone who completes an educational methodology **course after** July 01, 2009 will be required to meet the new requirements.
 - a. Anyone who completes an educational methodology **course prior** to July 01, 2009 will be allowed to meet the current requirements. ***This does NOT apply to Qualifications, Instructor II certification only!***
 - b. Furthermore, anyone meeting this requirement must pass the Methodology/ Instructor II certification exam prior to July 01, 2010. Testing will continue in Regional Testing, for Instructor II, until July 01, 2010.
2. Qualification Areas for Instructor II – ***(MUST Qualify before July 1, 2009 to be eligible under current standard, As of July 1, 2009 new requirements go into effect for all Qualifications)***
 - a. To become a qualified instructor, the candidate must be certified a minimum of two (2) years as an Instructor II. Effective July 01, 2009.
 - b. To become a qualified instructor, the candidate must be certified a minimum of five (5) years in the accredited areas (i.e. **Fire Fighter, Technical Rescuer**, EVD, Driver Operator, Hazardous Materials, Fire Officer, and **Fire and Life Safety Educator**). Effective July 01, 2009.
 - c. To become a qualified instructor in Trench, Confined Space, Surface Water, Swift Water, Structural Collapse, VMR, Ropes, and Wilderness Rescue the candidate must be certified a minimum of two (2) years in these areas.
