Minimum Plumbing Fixture Clearances

**Code:** 2006 Plumbing Code

2006 Residential Code  

**Date:** October 1, 2007  

**Section:**  
R307.1, Residential Code  
405.3.1, Plumbing Code  

**Question:**  
What are the minimum plumbing fixture clearances for one and two family dwellings?  

**Answer:**  
The minimum clearance for plumbing fixtures for one and two family dwellings shall comply with section R307.1 and figure R307.2 of the 2006 Residential Code. Clearances in other types of buildings shall comply with 2006 Plumbing Code section 405.3.1.
