Use of DASMA Technical Data Sheet 155h for Determining DP Ratings for Garage Doors

**Code:** 2012 Residential Code  
**Section:** Table R301.2(4)  
**Table 4502(b)**

**Date:** July 1, 2012

**Question:**
Can DASMA Technical Data Sheet 155h be used for determining alternate design pressures for garage doors?

**Answer:**
Yes. DASMA Technical Data Sheet 155h was inadvertently removed from footnote “a” of Table R301.2(4) and footnote “b” of Table 4502(b).

**Keywords:**  
wind pressures, lateral loads
