Minimum Plumbing Fixture Clearances

**Code:** 2012 Residential Code  
**Section:** R307.1  
**Date:** July 2, 2012

**Question:**  
What are the minimum plumbing fixture clearances for one and two family dwellings?

**Answer:**  
The minimum clearance for plumbing fixtures for one and two family dwellings shall comply with Section R307.1 and Figure R307.1 of the 2012 Residential Code. Clearances in other types of buildings shall comply with 2012 Plumbing Code Section 405.3.1.

**Keywords:**
