Use of DASMA Technical Data Sheet 155h for Determining DP Ratings for Garage Doors

Code: 2012 Residential Code
Section: Table R301.2(4)
       Table R4502(b)

Date: July 3, 2012

Question:
Can DASMA Technical Data Sheet 155h be used for determining alternate design pressures for garage doors?

Answer:
Yes. DASMA Technical Data Sheet 155h was inadvertently removed from footnote “a” of Table R301.2(4) and footnote “b” of Table R4502(b).

Keywords:
wind pressures, lateral loads
