## SECTION 1. Introduction

This booklet gives you a summary of what we cover and what you pay for prescription drug coverage from January 1, 2021 – December 31, 2021. ### You have choices about how to get your Medicare prescription drug benefits

One choice is to get prescription drug coverage through a Medicare Prescription Drug Plan, such as **Cigna Secure Rx (PDP)**, **Cigna Secure-Essential Rx (PDP)** or **Cigna Secure-Extra Rx (PDP)**.

Another choice is to get your prescription drug coverage through a Medicare Advantage Plan (such as an HMO or PPO) or another Medicare health plan that offers Medicare prescription drug coverage. You get all of your Part A and Part B coverage, and prescription drug coverage (Part D), through these plans.

### Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **Cigna Secure Rx (PDP)**, **Cigna Secure-Essential Rx (PDP)** and **Cigna Secure-Extra Rx (PDP)** covers and what you pay.

If you want to compare our plan with other Medicare plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on [medicare.gov](https://www.medicare.gov).

## SECTION 2. Things to know about our Medicare Part D plans

### Who can join a Medicare Part D plan?

To join **Cigna Secure Rx (PDP)**, **Cigna Secure-Essential Rx (PDP)** and **Cigna Secure-Extra Rx (PDP)** plans, you must be entitled to Medicare Part A, and/or be enrolled in Medicare Part B, and live in our service area which includes all 50 states and the District of Columbia.

### Are my drugs covered?

See “Drug list” section on inside cover.

### How will I determine my drug costs?

The amount you pay for a medication depends on what tier the drug is grouped under, and what stage of the plan benefit you have reached.

### Drug Tiers

Our plan groups each medication into one of five (or six) tiers:

Tier 1: Preferred Generic

Tier 2: Generic

Tier 3: Preferred Brand

Tier 4: Non-Preferred Drugs

Tier 5: Specialty Tier

Tier 6: Select Care

Use the plan drug list (formulary) to determine your medication’s drug tier.

### Benefit Stages

Medicare Part D coverage has three benefit stages after you meet your deductible — Initial coverage, coverage gap, and catastrophic coverage:

### Stage One and Two: Initial Coverage

- Begins after you meet your deductible (if applicable).
- You pay a copay or coinsurance for covered drugs.

### Stage Three: Coverage Gap “Donut Hole”

- Begins after your **total** yearly drug costs — what the plan has paid and what you have paid — reaches \$4,130.
- You pay only 25% of the cost of a covered drug.

### Stage Four: Catastrophic Coverage

- Takes effect when your yearly **out-of-pocket** drug costs – what you paid at your retail pharmacy or home delivery – reach \$6,550.
- The plan pays most of the cost of a covered drug.
- You pay the greater of a small copay or 5% of the cost.

### Which pharmacies can I use?

You can see our plan’s pharmacy directory on our website (**Cigna.com/member-resources**). Or, call us and we will send you a copy of the pharmacy directory.

We have a pharmacy network that includes preferred and standard network pharmacies. You must generally use these pharmacies to fill your prescriptions for covered Part D drugs. You may pay less if you use preferred network pharmacies.

You also may get drugs at an out-of-network pharmacy. You will pay the in-network pharmacy copay or percent of the cost, **plus** the amount of the out-of-network pharmacy billed charges that are higher than our typical standard retail pharmacy billed charges.

## SECTION 3. Your plan costs

### Monthly premium and deductible

#### What You Should Know

- A premium is the monthly payment you make for your prescription drug coverage.
- You must continue to pay your Medicare Part B premium in addition to your monthly Medicare Part D premium.
- A deductible is the amount you need to pay out-of-pocket for your prescriptions before Initial Coverage begins with your Medicare Part D plan. Not all plans have a deductible.
- During the deductible, your cost at our network pharmacies will reflect the Cigna special negotiated rates.
- You will typically get the best pricing from preferred network pharmacies. See our pharmacy directory for a list of preferred network pharmacies in your area.
