This booklet gives you a brief overview of what we cover and what you can expect to pay. It doesn't list every service we cover or every limitation or exclusion. To get a complete list of services we cover, give us a call and ask for the "Evidence of Coverage." You can also find a copy on our website at [www.wellcare.com/PDP](http://www.wellcare.com/PDP).

A **Prescription Drug Plan (PDP)** is one option for individuals who want to enroll in the Medicare Part D prescription drug coverage, which subsidizes the costs of prescription drugs for enrollees. A prescription drug plan (PDP) is a stand-alone plan, covering only prescription drugs.

### **Who can join?**

To join **WellCare Classic (PDP), WellCare Wellness Rx (PDP), WellCare Value Script (PDP), WellCare Medicare Rx Select (PDP), WellCare Medicare Rx Saver (PDP) and WellCare Medicare Rx Value Plus (PDP)** you must be entitled to Medicare Part A, and/or be enrolled in Medicare Part B and live in our service area. Please refer to the Premium/Cost-Sharing Table to find out the premium/cost-sharing in your area.

You can access and/or order your current "*Medicare & You*" handbook online at <http://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY/TDD users should call 1-877-486-2048.

### **Which drugs are covered?**

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website ([www.wellcare.com/PDP](http://www.wellcare.com/PDP)). Or, call us and we will send you a copy of the formulary.

### **How will I determine my drug costs?**

Our plans group each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur after you meet your deductible, if applicable: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

## Which pharmacies can I use?

We have a network of pharmacies and you must generally use these pharmacies to fill your prescriptions for covered Part D drugs.

Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

You can see our plans' pharmacy directory at our website ([www.wellcare.com/PDP](http://www.wellcare.com/PDP)). Or, call us and we will send you a copy of the pharmacy directory.

This document is available in languages other than English. For additional information, call us at **1-877-374-4056**, (TTY/TDD **711**).

This booklet is also available in different formats, including braille, large print and audio compact disc (CD)

# Medicare Part D Prescription Drug Coverage Information

Medicare Part D Prescription Drug Coverage includes four cost-sharing stages. The amount you pay to fill your prescription drugs depends on the payment stage you are in. To find out more information about the payment stages, read through the descriptions that follow.

Cost-sharing may change depending on the pharmacy's status as preferred or non-preferred, mail service, Long Term Care (LTC) or home infusion, and 30 or 90 days supply. When you move from one phase of the Part D benefit to another, your cost-sharing may change as well. For more information on the additional pharmacy specific cost-sharing and the phases of the benefit, please call us or access our Evidence of Coverage online.

## 1 DEDUCTIBLE

Some plans require you to pay a deductible before they start covering your prescription drugs.

See the region table for your specific states for cost share amounts.

### PLAN DESCRIPTIONS

#### Classic/Saver

WellCare Classic (PDP) and WellCare Medicare Rx Saver (PDP) plans typically work best for members who qualify for Extra Help. Depending on the level of Extra Help, members may pay no monthly premium and lower copays than those listed in the Summary of Benefits. This plan also works well for non-subsidized members who take medications occasionally.

#### Value Plus

WellCare Medicare Rx Value Plus (PDP) plan typically works best for members who take several prescriptions each month and are looking for no deductible.

#### Value Script/Wellness Rx

WellCare Value Script (PDP) and WellCare Wellness Rx (PDP) plans typically work best for members who don't take many prescriptions and are looking for a plan with a low premium. This plan also has no deductible on Tiers 1 and 2.

#### Select

Medicare Rx Select (PDP) plan typically works best for members who don't take many prescriptions and features a moderate premium. This plan also has no deductible on Tiers 1 and 2 and a lowered deductible on all other tiers offered on many plans.

## 2 INITIAL COVERAGE

You pay the following until your total yearly drug cost reaches **\$4,130**. Total yearly drug costs are the total drug costs paid by both you and our Part D plan at network retail pharmacies and mail order pharmacies.

## 3 COVERAGE GAP

(Donut Hole)

Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches **\$4,130**.

After you enter the coverage gap, you pay 25% of the plan's cost for covered brand name drugs and 25% of the plan's cost for covered generic drugs until your costs total **\$6,550**, which is the end of the coverage gap.

~ Most members will not reach this stage.

## 4 CATASTROPHIC COVERAGE

After your yearly out-of-pocket drug costs (not including what the plan has paid, but including drugs you purchased through your retail pharmacy and through mail service order) reach **\$6,550**, you pay the greater of:

- 5% of the cost, or
- **\$3.70** co-pay for generic (including brand drugs treated as generic) and an **\$9.20** co-payment for all other drugs.

### *Important note:*

*For the Value Script, Wellness, and Value Plus plans, insulin cost sharing is \$35 a month for a 30-day supply of each medication throughout the plan year. See your plan's Evidence of Coverage to see if this supplemental benefit is available to you and for complete details.*

*Initial Coverage Limit and Out-of-Pocket Threshold amounts may change on January 1 of each year.*

## Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit [www.wellcare.com/PDP](http://www.wellcare.com/PDP) or call 1-888-293-5151 to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

## Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2022.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
