Things to know

Our D-SNP is for people on Medicare who are also eligible for Medicaid. It replaces your Original Medicare coverage. You'll still have Medicare, but you'll get it through us, instead of the federal government. We cover everything Original Medicare does and offer other benefits and services too.

Your plan doesn't require you to get a referral from your PCP to see a specialist. But the specialist may still ask you for one.

Benefit snapshot

Here's a quick look at what's covered by Aetna Medicare Assure Plan (HMO D-SNP) and your state Medicaid program.

Below is a summary of Medicaid and Aetna Medicare Assure Plan (HMO D-SNP) benefits. If you qualify for Medicare and Medicaid (or "Medical Assistance"), you're "dual eligible." This means you're eligible for benefits under both the federal Medicare program **and** the North Carolina Medicaid program. What you pay for covered services may depend on your level of Medicaid eligibility. If you meet the state's requirements for **full** Medicaid coverage, you may also receive Medicaid services not covered by Medicare. If you have questions about your Medicaid eligibility and what benefits you are entitled to, call your North Carolina Medicaid Agency. The table below gives you a summary of the benefits Medicaid covers. Aetna Medicare Assure Plan (HMO D-SNP) covers the benefits we described earlier in the Medical and Hospital Benefits section. For each benefit listed below, you can see what Medicaid covers and what our plan covers. **Keep in mind:** There may be limits for some services and the provider you pick needs to be enrolled with Medicaid.

Aetna Medicare is a HMO, PPO plan with a Medicare contract. Our SNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal. See Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area. The formulary, pharmacy network, and/or provider network may change at any time. You will receive notice when necessary. Participating physicians, hospitals and other health care providers are independent contractors and are neither agents nor employees of Aetna. The availability of any particular provider cannot be guaranteed, and provider network composition is subject to change. Out-of-network/non-contracted providers are under no obligation to treat Aetna Medicare members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services. Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-833-859-6031 (TTY: 711)**. From October 1 to March 31, you can call us 7 days a week from 8 AM - 8 PM local time. From April 1 to September 30, we're here Monday through Friday from 8 AM - 8 PM local time.

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially those services for which you routinely see a doctor. Visit **AetnaMedicare.com** or call **1-833-859-6031 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part B premium is covered for full-dual members.
- Benefits, premiums and/or copayments/co-insurance may change on January 1, 2023.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
