

BUCKLEBEAR

BUCKLEBEAR is a life-size costume used as an educational tool in teaching preschoolers, school age children and parents the importance of always buckling up and wearing a bike helmet. BUCKLEBEAR is used primarily in conjunction with the following types of events: child passenger, cycling, helmet, pedestrian, etc. Submit a request and let BUCKLEBEAR help with your next safety event!

BUCKLEBEAR must be used to endorse safety messages and must NOT be used in any lewd or inappropriate manner. The costume must be cleaned prior to returning. You will be responsible for making arrangements to have the costume returned within 4 business days by coordinating delivery to our office or shipping via Fed Ex, USPS or UPS to:

Lisa Blackmon
325 North Salisbury Street
Raleigh, NC 27603

Cleaning and Care Maintenance:

1. Body and pod should be washed after each wearing on a cool delicate cycle using a mild detergent and fabric softener. Allow to drip dry. Brush while still damp, using a vented brush. **DO NOT STORE DAMP! DO NOT DRYCLEAN!** It will cause fur to mat.
2. Head should be brushed and cleaned with a sponge and mild detergent. Spray disinfectant can be used on the inside of the head to eliminate odor. **Never Store Damp!**

In the event of damage, your agency will be responsible for repairs or replacement. If any damages or problems occur please report to: lisa.blackmon@ncdoi.gov or call 888-347-3737.
